WEST DIVIDE WATER CONSERVANCY DISTRICT APPLICATION TO LEASE WATER

818 Taughenbaugh Blvd. #101, P. O. Box 1478, Rifle, CO 81650 970-625-5461 <u>water@wdwcd.org</u>

1. Nar	APPLICANT INFORMATION ne:
	iling Address:
Tel	anhone.
	ephone:
Aut	ail:horized Agent:
2.	COURT CASE#: cree/Aug Plan Case Nos:
	DETAILED DESCRIPTION OF PROPOSED WATER USE ample: Subdivision of land, expansion of use, pond augmentation, etc.
_	
Ple	ease fill out the applicable sections in Nos. 4 – 7
4.	RESIDENTIAL USES Number of homes: No ADU's
	Number of homes: No ADU's Subdivision: YES NO No. Lots
	Home garden/lawn irrigated area (sq ft):
	Irrigation method: Flood Sprinkler Other Non-Commercial animal watering (#):
	Fire Protection:
	Pond Evaporation: Maximum Surface Area (acres) Any use of pond other than evaporation, please describe method, rate and annual volume of diversion:
5.	COMMERICIAL USES
٠.	No. Units Total commercial area (sq ft)
	Description of Use (# employees, etc):
6.	INDUSTRIAL USES Description of Use:
	Pond: YES NO
	Pond Evaporation: Maximum Surface Area (acres)
	Any use of pond other than evaporation, please describe method, rate and annual volume of diversion:
7.	DIRECT PUMPING
	Water Source: Location:
	Description of Use:

SEWAGE SYSTEM Septic tank/absorption leach field: Central System: If Central System, District name: VOLUME OF LEASED WATER (ACRE-FEET) Minimum of 1 acre-foot, except in Alsbury service area. Provide engineering data to support volume of water reque Commercial, Municipal, and Industrial Uses MUST provid diversion and consumption data on a monthly basis. A totalizing flow meter with remote readout is required to installed and usage reported to WDWCD. Applicant expressly acknowledges it has had the opportuni	Structure Typ	oe:	_ Structure Na	ame:
